MEMORANDUM FOR: Director of Central Intelligence

NOV 18 1957

SUBJECT: Dependent Medical Program -- Claims of [REDACTED]

25X1A9a

1. This memorandum contains a recommendation in paragraph 4. for approval by the Director of Central Intelligence.

2. On 21 September 1956 the Acting Director of Central Intelligence approved adopting for all CIA personnel stationed overseas medical benefits for dependents granted to the Department of State by Sections 941 and 942 of Public Law 828. Although Public Law 828 was effective 28 July 1956, we have considered 21 September 1956 as the effective date in CIA.

3. While stationed in [REDACTED] 25X1A9a was advised by two physicians that his infant son should be sent to [REDACTED] 25X1A6a for medical treatment. On 30 August 1956 his son and wife travelled to [REDACTED] 25X1A6a and incurred travel expenses of \$645.50. I cannot authorize reimbursement because the expenses were incurred prior to 21 September 1956. However, the expenses did occur subsequent to 28 July 1956, the date of Public Law 828, and since our dependent medical program is based on that law, I consider it proper for Mr. [REDACTED] to be reimbursed for his justifiable claim resulting in part from assignment to an isolated post with inadequate medical facilities.

4. I recommend that you authorize payment to Mr. [REDACTED] of his infant son and wife (as attendant) for medical care.
